

Speaketh in whispered boundaries of power,
break not the transmissions of lovers' code.
Nor shirk the lamented feelings sprung forth
as currents under swell in open waters - life;

Let the unplumbed play its mighty feelings
tossing seaweed back and forth as wonton woes
while Neptune stands in carapace of grandeur,
firmly strident, touching all to bone;

Master of the depths collude with Captain of the Ship,
and drive this mortal coil back home.
